Things Above from Fr. Bilot

HE IS RISEN! ALLELUIA!
You would not be reading this article if Jesus had not risen from the dead. You would not have picked up this bulletin and attended the holiest Mass of the year if Jesus had not risen from the dead. We probably would not even exist if Jesus had not risen from the dead.

If each of us goes back into our lineage, we would realize that we would not be living if it were not for our Christian heritage. Looking at our lineage, we see how people met through the practice of their faith, attending Mass, and being part of a religious Catholic organization. I marvel at how many weddings at which I have presided of former students of our high school. If Jesus did not rise from the dead, our parish and school would not exist, and these men and women, who fell in love, would not be a reality. If Jesus had not risen from the dead, we would not be here today celebrating a profound gift of sacrifice, love and redemption. The sweetness of life that represents the awesome victory of Jesus Christ would not be our reality. There would be no chocolate bunnies or eggs. No jelly beans and those, shall we say, unbelievable marshmallow “peeps!” Nothing would be in our mind or on our tongue.

If we believe that Jesus rose from the dead, then all life makes sense. Even more, today, here and now, Jesus is alive! He didn't rise from the dead and leave us alone. His very existence permeates every action of our lives. Attentive to him or not, Jesus rising from the dead changes the course of existence. Where is he, one may ask, with all the death, violence and destruction around us? Well, just as we see violence and death, do we look for truth, beauty and goodness in the hearts of men and women? Jesus rose from the dead to overcome the power of corruption and death. We, however, must embrace his life, his abiding love in the world, and not succumb to the power of darkness. The Resurrection assures us that, despite the presence of evil, Jesus prevailed. No one in the history of the world has risen from the dead. His life, death and resurrection are proof. If the Resurrection was not real, there is no way our Catholic Church would be in existence today. And, despite the persecution the Church endures today, Jesus tells us that nothing can prevail against it and win. Jesus is victorious! That is the truth.

I pray that each of us takes time to realize the profound effect Jesus’ Resurrection has on our history and on our lives. See how our Catholic faith and our Christian values have shaped us. Take note and see if we are drifting from the truth of the Resurrection. It is imperative we embrace the reality that Jesus is Risen from the dead! It is a powerful and deep mystery, but a mystery that is filled with wonder, sweetness and beauty. Enter the mystery, and we will find the Resurrection powerfully at work in our lives!

Jesus Christ is Risen! Alleluia! Alleluia!!

Grateful to the Risen Lord that we can celebrate together,

Fr. Jim Bilot
Love is Strong as Death

We are now forever changed by the events that we now celebrate. The Resurrection of Christ from the dead is not a mere miracle of a man returning from the dead. In the Gospels, Jesus brought back several people from the dead. However, in all of those cases, those people eventually died again. This is why the resurrection of Jesus is different. Jesus underwent the sorrowful death through His passion and remained in the tomb three days. However, when Jesus rose from the dead, He did not merely “come back to life” but through His resurrection He took on an incorruptible nature that cannot be touched by death. Through the incorruptible nature of the resurrection of Jesus, our very nature has changed as well. Jesus becomes the gateway to resurrection for each one of us.

Death is the primary struggle of life. Fear of death is the only fear that we cannot resolve within ourselves. In the Song of Songs, the love poetry of the Old Testament, the sacred writer proclaims that “Love is strong as death,” (Songs 8:6). Death is not to have the last word for us. Instead, love triumphs over death. The incarnate love of God, Jesus Christ, has definitively destroyed the power of death.

The Resurrection of Christ changes the course of history and our lives. We are redefined by the triumph of Love. To reflect the change that happens in each one of us through the Resurrection, there is an ancient tradition in the Church to change the way that we greet one another during this season. During the fifty days of the Easter season, instead of merely greeting each other with “hey,” or “how are you doing,” the Church invites us to greet one another with the greeting “Christ is Risen!” The response then is “Truly, He is Risen!” The tradition of the Paschal Greeting finds its origin in the Gospel when the disciples proclaim, “The Lord has risen indeed, and has appeared to Simon!” (Luke 24:34). During this season, I encourage you to help reclaim this tradition, especially at home with your families.

Christ is Risen! Alleluia, alleluia!

Fr. Matthew Hood

“Do not be afraid. I know that you are seeking Jesus the crucified. He is not here, for He has been raised, just as He said.”

Matthew 28:5-6

**The Wild Goose Series for the Easter season**

**The Gifts of the Holy Spirit**
Monday, April 23, 1:30 – 2:45 pm or Wednesday, April 25, 7:00 – 8:15 pm
Whatever our experiences, the gifts of the Holy Spirit are for all Christians, and no one should think the gifts are not for them. The gifts of the Holy Spirit are to be experienced in our daily life.

**The Fruits of the Holy Spirit**
Monday, April 30, 1:30 – 2:45 pm or Wednesday, May 2, 7:00 – 8:15 pm
By the way we live and how we treat people, our lives produce some type of fruit. The sort of fruit our lives produce has eternal consequences for us personally as well as a profound impact on those people we love. In fact, our fruit impacts all of our relationships, from the most casual to the most intimate. When we live animated by the Holy Spirit, our lives produce fruit that not only makes our own life more peaceful, patient and loving but also influences positively those we encounter each and every day.

**The Spirit Gives Witness**
Monday, May 7, 1:30 – 2:45 pm or Wednesday, May 9, 7:00 – 8:15 pm
We are not able to fully understand who Jesus is on our own strength, intellect and power. The Holy Spirit aids us in moving from our limited intellectual perception of who Jesus is and what he has done for us to a life changing understanding of Jesus. It is also the Holy Spirit that inspires us to give witness to Jesus Christ by our words and actions.

**The Spirit Remembers**
Monday, May 14, 1:30 – 2:45 pm or Wednesday, May 16, 7:00 – 8:15 pm
It is important for us to remember the great things that God has done for us. Often we become consumed with our daily struggles and forget all that the Lord has done. We may also only focus on God not doing what we want of him. One of the blessings of the Holy Spirit is that the Spirit reminds us what Jesus said and what Jesus has done for us. There is no limit to what God has done or what he desires to do in our lives.

There is no fee --- Space is limited, so please register to reserve your spot

Thank you so much for all of your prayers and donations for my mission trip to Puerto Rico! It was an amazing experience. We cleared away debris, helped rebuild houses, and delivered food to community members in Isabela, Puerto Rico. Through this trip, I not only had the opportunity to serve others, but I was also able to see God’s love and compassion in the people and places I encountered. I am so grateful for all the support! Thank you and God bless you!

HE HAS RISEN!
ALLELUIA! ALLELUIA!

Happy Easter! The time has come, the darkness of Winter and Lent are over and we can truly rejoice in the light and in our Risen Lord, Jesus! So, let me say it again, a HAPPY EASTER!

As we renew our Baptismal Promises at Easter Mass, we ourselves are renewed. We are in a time of rebirth; we have the opportunity to start anew. We are at a crossroads so to speak. Where do we want to go? Do we want to continue our spiritual growth that took us through Lent into Easter, or do we want to fall back into old habits. It is like starting over again in the light of Christ, in the Springtime of Life. Why not challenge yourself in this time of renewal?

As Catholic men we are called to serve, you are called to serve! What better way to lead our families than by showing our children how we are committed to serve others. The nearly 2 Million Knights around the world are Catholic men who serve! First and foremost we are called to serve God; we do that by serving our families, our church and our community. There is no better group of men doing this work than the Knights of Columbus.

Bishop Foley Council continues to grow in the Divine Child Parish. Our work in the parish and the community as a whole helps us grow in fraternal brotherhood. As Catholic men we are all called to help others with Charity. Foley Knights have fun while doing great things.

Please consider joining the Foley Council. Maybe you are an inactive Knight who wants to become part of the order again. Please call our office, 313-212-1835, or talk to a Brother Foley Knight. There will be future degrees coming up in the Spring, which will be here before we know it.

The Jelly Bean Prayer
A bag full of Jelly Beans
Colorful and sweet: is a prayer,
Is a promise, is a child’s treat.

Red is for the blood He gave.
Green is for the grass He made.
Yellow is for the sun so bright.
Orange is for the edge of night.
Black is for the sins we made.
White is for the life He gave.
Purple is for His hours of sorrow.
Pink is for our new tomorrow.
